Dear Friends,

It is time again for the planning of the Final Fertilization Golf Tournament. In the event's first two years we have been able to raise over \$40,000 for the Racetrack Chaplaincy of America. These funds have been vital to the operation of this great organization. Your generosity has had a tremendous impact.

The tournament is open to all of those involved in the Quarter Horse industry, from breeders to owners to grooms. We see it as a chance to socialize with each other outside of the farm, racetrack and sale ring.

G.R. Carter, on behalf of the Permanently Disabled Jockeys Fund, approached us this fall to help with their fundraising. The PDJF is currently supporting 59 jockeys from the Quarter Horse and Thoroughbred racing worlds. They are currently in the midst of a fundraising project that will endow the payments these individuals receive. The fund is 501(c) (3) tax-exempt, making your contributions tax deductible.

Through much consultation and consideration we have decided to add the PDJF as one of this year's benefactors. Half of the proceeds will go to the RTCA and the remaining half to the PDJF. These are two great causes that have a great impact on those less fortunate individuals that work to keep our industry alive.

This year's tournament will again be held at Silverhorn Golf Club in Oklahoma City on May 29 at 8:30 am. This will coincide with the running of the Heritage Place Futurity at Remington Park.

This great event will not be successful without the support of friends of the industry. Enclosed you will find a sheet detailing the sponsorship opportunities. All sponsorships will be tax deductible. April 15 will be the submission deadline for all logos and corporate artwork to allow sufficient time to get promotional materials ready.

Please contact the following to reserve your opportunity today:
